Dear Mr. Peck:

On May 28, 2001, you submitted a Plan of Operations (Plan) for mining calcite on public lands located in Section 6, T. 14 S., R. 19 W. On June 7, 2001, I sent you a letter advising of deficiencies in that Plan. On June 14, 2001, I met with you onsite to discuss the your proposed operations, and at that time, you told me you would like to withdraw the Plan.

Since you have not formally withdrawn the Plan, we are writing to confirm that you still wish to do so. If we do not receive a Plan that corrects the deficiencies in the Plan within 30 days of receipt of this letter, we will close the case file.

If you have any questions, please feel free to contact me at (435) 743-3125.

Sincerely,

Jerry Mansfield
Geologist
